Memorial Scholarship Night

SPM recognized the accomplishments of some of our finest scholars during our Memorial Scholarship Night. It is a beautiful celebration of the legacies that have been carved out in the hallowed grounds of SPM. The families who return always reinforce just how valuable a Catholic education can be and that our call to action has been answered. The evening featured an uplifting spiritual prayer service while striking a solemn tone, and the presentation of scholarships by family members and friends. Their generosity to the school is deeply appreciated. We thank all the people who made this truly special evening possible.
