

St. Peter-Marian has been proudly educating young men and women since 1976. The school has a rich tradition dating back to 1921 with the founding of St. Peter's High School and in 1963 Marian High School. Currently the school serves students in grades 7-12 from 41 area cities and towns, as well as a vibrant population of international students. St. Peter-Marian is located in a residential neighborhood on the north side of Worcester, MA, New England's second largest city.

Profile 2018-19

MISSION STATEMENT

The mission of St. Peter-Marian Central Catholic Junior-Senior High school is to encourage each student to become a responsible, respectful member of the human community in the Roman Catholic tradition as espoused by the shared values of our founding orders, the Sisters of St. Joseph and the Sisters of Mercy: **faith formation**, **academic excellence**, and **commitment to service**.

THE SCHOOL

St. Peter-Marian is a Central Catholic College Preparatory High School administered by the Diocese of Worcester. Enrollment: 377 | Class of 2019: 66 | Professional Staff: 43 | CEEB Code: 222525
Accreditation: New England Association of Secondary Schools and Colleges

STUDENT LIFE

SPM strives to cultivate a campus environment that promotes opportunities for all students to participate in activities, and to learn and practice essential skills needed after high school. Our 30 Clubs and 17 Varsity Athletic Programs inculcate our values by encouraging students to be involved in campus life and to develop collaborative learning, team building, organizational, and leadership skills.

CAMPUS MINISTRY

Campus Ministry, in collaboration with the Theology Department, strives to foster the spiritual formation of our students through retreats, liturgies and prayer experiences. Our commitment to service is at the center of experiential learning and the "Guardian Way." Our teachers and students work together to provide the local and global community with thousands of hours of community service each year. Students in the SPM community are continually developing their understanding of the themes of Catholic Social Teaching. Their volunteering spans child literacy programs, environmental causes, and service to the elderly, the homeless and the poor. The goal of St. Peter Marian's Campus Ministry is to develop leaders who transform the world, as Jesus did by living the truth in love.

PROJECT LEAD THEWAY (PLTW)

Our STEM offerings are essential to our dedication to academic excellence. Our curriculum includes a rigorous selection of math and science courses, featuring numerous Advanced Placement offerings. Our affiliation with Project Lead the Way, the leading provider of innovative STEM curriculum programs, challenges our students to develop critical thinking and to sharpen problem solving skills in Engineering. Our PLTW teachers receive extensive training and certification through Worcester Polytechnic Institute (WPI), ensuring that they maintain the highest levels of pedagogy and practice.

ALL students who take an AP class are REQUIRED to sit for the Advanced Placement examination. SPM strives to promote AP equity and access and encourages potentially capable students to take AP classes. **Juniors and Seniors may register for a maximum of three AP classes per year.**

GRADE POINT AVERAGE

Grade Point Average is unweighted and computed on all subjects receiving credit. Academic expectations at St. Peter-Marian are set high, in recognition of the rigorous college preparatory curriculum at the school. The school maintains a traditional grading structure that reserves grades of A for true academic excellence. Due to the size of the senior class enrollment, we have suspended the practice of providing a rank in class for each senior. For the Class of 2019, a weighted rank will be reported for those students who are in the top 10 positions of their class.

Class of 2019 Unweighted GPA Distribution
