Prom Night 2019

The St. Peter-Marian community celebrated Prom on Friday, May 3 at Mechanics Hall. The event provided a beautiful night for Seniors and Juniors to enjoy themselves, dance, eat great food, show off their fashion sense, and pose for photographs.

After the prom, senior parents volunteered to create a safe environment for student to spend the night. The event was at the Boys and Girls Club of Worcester and featured a full lineup of activities including a hypnotist, bingo, caricature drawings, a scavenger hunt, swimming, and mountains of food.

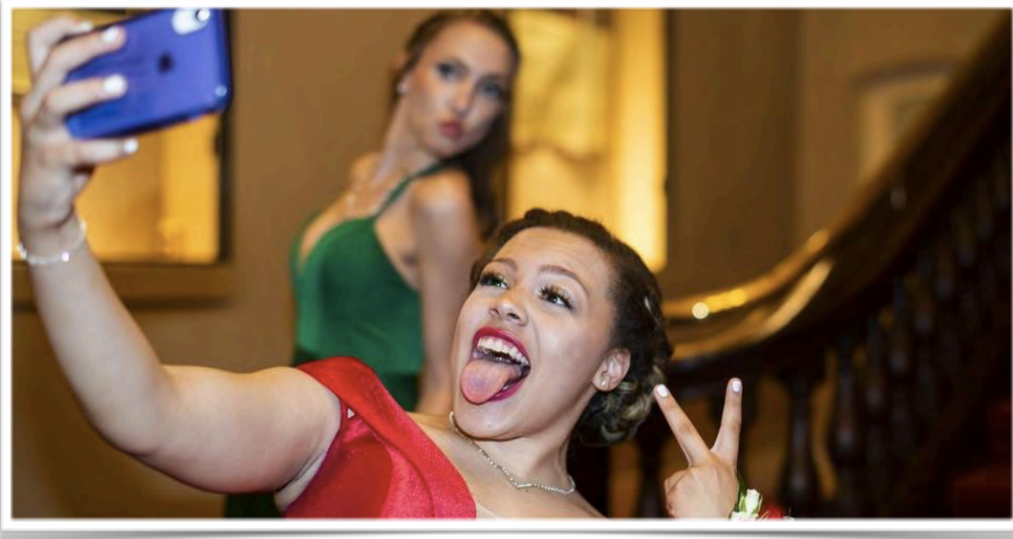

Photographer Ashley Greene from the Worcester Telegram & Gazette was on the scene.

College Signing Day

Our seniors celebrated their last day of classes with a College Signing Ceremony and a Senior Luncheon provided by Parents. It was a great opportunity to recognize the achievements of our seniors and their aspirations for the future. The efforts of senior parents this week have been monumental and we are deeply indebted to their generosity. THANK YOU!!!
